IMPORTANT NOTES

- This Time Schedule is effective from 1st October 2018. Every Nyepi/Silence Day (17/Mar/2018) Kura-Kura Bus will not operate. One day before Nyepi (16/Mar/2018) and at Year End (31/Dec/2018) we will have limited operation. Special Time Schedule will be issued for those dates.
- Basically all buses will be operated to follow this Time Schedule. However, all times are approximate. Due to unstable traffic, the bus may arrive earlier or later at the bus stop.
- Our buses will wait for passengers at the bus stop for few minutes only. Sometimes less than one minute due to parking condition.
- Our bus may not be able to enter the bus stop if the bus stop area is too crowded or if there is traffic diversion / road closures.
- There is no bus stop sign at Ground Zero Monument area, Le Meridien and Blow Bar. If you are waiting for our bus at those bus stops, try to show yourself so that you can be easily seen by our drivers.
- Several bus stops are used by multiple lines such as Seminyak Village, Beachwalk, Lippo Mall Kuta, Samasta and so on (Please check the Route Map). Make sure you get on the correct bus at those bus stops.
- In case of serious delay, we suggest the following:
 - <> Check traffic condition on the internet.
 - <> Check delay information from our website www.kura2bus.com or via Twitter @kura2businfo
 - <> Check our bus position from "KURA-KURA BUS" mobile apps (download from Google Playstore)
 - <> Contact our customer service at: Tel: +62 81 139 600 777 (09:00am - 08:00pm English/Indonesian/Japanese)
- Traffic infrastructure in Bali is not as good as in advanced country. Road closures due to religious ceremony are commonplace here. Kura-Kura Bus Time Schedule can be seriously affected by those factors. It is recommended to make allowance for possible delay when planning your trip. We are not liable for any losses caused by delays in service. If you are in hurry, we suggest that you use taxi.
